British Girlguiding Overseas Virtual Festival

Take a look at the longest bridges in some of our BGO countries. Some are REALLY long bridges, others are quite short, but they are all very impressive!

Why not see if you can find out where these countries are - use a map to help you. It's amazing to think that British Girlguiding Overseas covers so much of this world. Go to our BGO website to find out more:

[www.british-girlguiding-overseas.org.uk](http://www.british-girlguiding-overseas.org.uk)

**In the Branch Associations** - the longest bridge in the Falkland Islands is called the Bodie Creek Suspension Bridge and it's 120m long.

**BGO Europe County** - the longest bridge in Greece is called the Rio-Antirrio Bridge and it's 2,380m long.

**BGO Benelux and France County** - the longest bridge in France is called the Millau Viaduct Bridge and it's 2,460m long.

**BGO Asia County** - in India the longest bridge over water is called Dhola Sadiya Bridge and it's 9.15km long.

**BGO Middle East and Africa County** - the longest bridge is in Kuwait and is called the Sheikh Jaber Causeway. It's 36km long.
